T2021	HI	Habilitative Community Inclusion: habilitative training (goal oriented and measurable) for the acquisition, retention, or improvement in self-help, and behavioral, socialization, and adaptive skills which take place in the community in a nonresidential setting, separate from the individual's residential living arrangement, such as use of emergency system, use of transportation system and relationship building, etc.	Hourly	\$39.69

Please note rates do not reflect an increase from the previous fee schedule as there were no rate increase appropriations for this State Fiscal Year 2026

Providers may notice a minor difference between the published payment amount on the fee schedule and the actual payment amount. The payment system uses seven decimal places in the reimbursement calculation, but the fee schedule publishes only the first two decimal places.
